200 Gallon Fuel Capacity

Northern Lights 5kw Generator

Two (2) Zone Reverse Cycle AC Heat

Ground Tackle

Primary Plow anchor with 150' chain

Secondary fluke anchor with 150' rode/chain splice

Interior Layout

The Nordic Tug 32 floor plan is perfect for 4 people. Forward is the main stateroom with a large offset berth to starboard. The main cabin has a hanging locker and drawer storage. The head is adjacent and aft of the main cabin. Up four stairs in through the companionway is the Pilothouse. The Pilothouse has seats to port and starboard. The helm is to starboard. Two windows looking aft provide ventilation. The pilothouse offers access to the side decks via doors to both port and starboard for access to the bow. Aft of the Pilothouse through the companionway is the main salon area. The main salon consists of the dinette to starboard that converts to a large double berth and the galley to port and aft. The galley provides a stove and microwave, fridge, drawers and cupboards and a single bowl sink. The cockpit is aft through the door to starboard.

Deck Layout

Vessel Layout & Specifications

The Nordic Tug 32's deck arrangement is simple and efficient. The bow is accessible from the stern or pilothouse doors. The windlass is operated from the bow or pilothouse. The cockpit provides access to the sundeck above the main salon via a ladder and access to the swim platform with ladder. A dock box in the cockpit serves for storage for lines and fenders. The swim platform is accessible over the stern. The Sundeck area over the main salon serves as a great area for sunbathing and lounging.

Yacht Equipment & Inventory

Standard Equipment

110v Shore Power
Electric Bilge Pumps (3)
12v Refrigeration System
AC Reverse Cycle Heat 2 Zones
110v Heater

Electronics
