

Nordic Tug 26

Stalwart & Seaworthy

This classic cruiser is the very definition of the term "salty".

Nordic Tug 26

Stalwart & Seaworthy

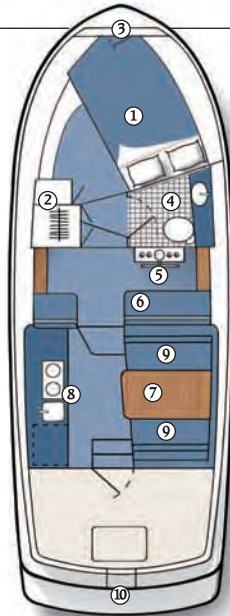

The Nordic Tug 26 Standard Model.

NORDIC TUG 26

With nostalgic appeal and rugged construction the “fuel-slingy” Nordic Tug 26 was re-introduced due to popular demand. With room to sleep 4, a wet head, and convertible salon settee, the Nordic Tug 26 is the ideal choice for couples and small families.

The new Nordic Tug 26 with its inherent seaworthiness and fuel economy is the boat that started it all... it's the rebirth of a classic.
